HEATING OF BOILERS IS BEGUN THIS MORNING

Work Of Putting Plate Glass Plant In Shape Is Started.

OFFICIALS TRANSFERRED

Superintendent And Others Of Tarentum Are Sent Here.

The process of heating of the boilers was begun this morning by the Pittsburg Plate Glass company in the local works, being in charge of Superintendent R. O. Stillwell, who has been transferred from Tarentum, and J. W. Cordes, chief machinist of the company. As has been stated in these columns heretofore it will probably take at least three weeks to get the plant in readiness for glass making. A large number of men will be put to work, probably more than were employed here at any time during the previous run of eight years, and prospects are bright for continued operations for many months.

Probably the most important information given out today was that R. O. Stillwell, who was in charge of the Tarentum plant until the burning of it Sunday morning would be transferred to this place to take charge of the number 6 works. With him comes Assistant Superintendent Irving Brown. George Pilston, who had charge of the polishing department at the number 2 factory will also come to Charleroi and a large number of skilled laborers of various departments. Where Mr. J. A. Bechtel, who has been in charge here will be sent is not known.

According to official information given out yesterday at Tarentum the plant which was burned Sunday morning will be rebuilt and work commence at once. It will be modern in every respect and contain all the latest machinery used in the manufacture of plate glass. Many of the employes which were thrown out of employment will be taken care of by the company.

Fire Does Much Damage Yesterday At Monongahela

Fire yesterday morning gutted the building on Main street Monongahela between First and Second streets, owned by Miss Pauline Markell, and occupied by Bennie Goldstein, and slightly damaged the George Anton building next door.

The fire was discovered by Garabaldy Armis, who was sleeping in the rear of his brother's shoe repair shop, and who was awakened by the smoke. He notified Officer Bergman who turned in an alarm. The fire company responded quickly and the damage was not great. The fire started in the store of Bennie Goldstein but the origin is not known. The loss was:

Pauline Markell owner of the building destroyed, about $1200.

George Anton fire and water damage about $500.

Bennie Goldstein damage to stock about $300.

E. Campi stock of candy and fruit store damaged by water and smoke loss about $300.

BIG GAME SATURDAY ON LOCAL GROUNDS

A big game of football between two of the leading soccer teams of the valley, Charleroi and Dunlevy will be play on the local grounds Saturday afternoon, the contest to begin at 3:30 o'clock. The game is for $200 a side. Dunlevy at present occupies second position in the Monongahela Valley association football league with only one point between them and the local srivalry is most intense.

Washington, Oct. 6.—For a long time, and then some, the town councils of the two Canonsburgs last night wrestled with the perplexing question of bringing the North Strabane Water company to time by compelling to fulfill the conditions of its franchise, namely, the supplying of water to the two boroughs, especially for fire protection.

GRAVE CHARGES AGAINST COUNTY HOME OFFICIALS

Taxpayer's League Wants to Know What Become Of Several Articles.

ALLEGED IRREGULARITIES

All irregularities in the conduct of business at the Washington county home at Arden on the part of Superintendent J. Vance Dodds are to be thoroughly investigate by the board of poor directors. Charges have been made by the board of directors of the Taxpayers league, of Washington county. They claim articles belonging to the county have been appropriated by Superintendent Dodds to his own use. He said today he had simply "borrowed" the articles in question.

Among the articles alleged to have been taken by Superintendent Dodds were four bushels of timothy seed, some barbed wire fence, several sacks of sugar, a barrel of flour and 8,000 shingles.

BURGLARS ENTER ROOMS OF MANY HOTEL BOARDERS

Hickory, Oct. 6.—Burglars entered the Central hotel owned by J. W. Hill at this place, early this morning and after ransacking several rooms escaped undetected with nearly $75 which had been taken from the trousers pockets of three guests as they slumbered undisturbed. The burglars were seen in the office of the hotel at 1 o'clock by Joseph Wittman, who was passing at that time. He gave the matter little thought supposing the late comers were guests. So far the robbers have not been found and no clew was left to the identity.

The guests robbed are: Riley W. Carothers, of Washington, $35; James Mitchell, Washington, $5; A. W. Moland, Steubenville, $20. Attempts were made to get into other rooms of the hotel, but the housebreakers were unsuccessful. The robbers did not care for jewelry as watches were left in the clothing of all the guests robbed. A check for $147 was left in the pocket of Mr. Morland.

BEATEN IN FACE WITH OWN SHOE

Last evening at a hearing before Justice of the Peace Rice, Catherine Hilt was held for court under $500 bail on charges of assault and battery and surety of the peace and Mrs. Elizabeth Smith under the same amount on charges of trespass and assault and battery. It seems that Conrad Hilt and his wife became engaged in a dispute Saturday night last and attracted Mr. and Mrs. August Smith into the room. Hilt was badly used up by being beaten in the face by his own shoe, and thrown out of the house. Mr. Smith was discharged, there not being any evidence to hold him. Information was made by Mr. Hilt.

SIX LADS ARE ARRESTED

The average age of the lads is about fourteen.

The information against the youngsters was made by Jake Zeidman, who is connected with the store. He claims that they have burglarized his place several times and took fruit and produce therefrom, the loss from these petty thefts being considerable.

The members of Company A arrived home yesterday afternoon at 2 o'clock completely worn out after their journey to Philadelphia. The trip to Philadelphia was made Saturday night the company arriving at Philadelphia about noon Sunday. Monday they were on the march from 11 o'clock until 4:30. The return trip was begun about midnight Monday.

The local company was pleased with the treatment accorded at the City of Brotherly Love and all the members had a very pleasant trip. The Tenth regiment was quartered in the barracks of the Third regiment at Philadelphia.

The military pageant in which the local company took part was the opening feature for Founders' week at Philadelphia and over 18,000 soldiers were in the parade. The parade was led by Maj. Gen. Fred Grant, a son of the great fighter, Gen. U. S. Grant.

Over four hours was required for the parade to pass a given point. The soldiers were given an ovation along the entire route.

PRELIMINARY HEARING GIVEN

Washington, Oct. 7.—August Vincenti, an agent of the Charleroi Brewing company, was given a preliminary hearing before Justice E. N. Dunlap yesterday afternoon on the charge of violating the liquor laws and was held for court. He furnished bail.

The information was made by Detective E. E. Cummins on information received in and around the town of Midway where according to the testimony of a number of witnesses he sold several kegs and cases of beer recently. The testimony was to the effect that the intoxicants were delivered by representatives of the Ben Reynolds Express company, and sometimes by private individuals to whom the bills of lading were sent by mail.

ELECT SCHOOL SUPERINTENDENT

Monessen Directors Finally Come To An Agreement.

The school board of Monessen met last night and elected a superintendent of schools, the directors being unanimous in choosing a prominent educator, Thomas E. Lytle, of Kane, Pa., for the position. The salary will be $1800 a year. Mr. Lytle comes highly recommended and if he is all that is claimed will prove one of the best in this section. He is at present superintendent of the Kane schools.

The question of a superintendent is one that has claimed the attention of the Monessen board for many weeks, in fact since the resignation of Prof. Heimlick last summer.

Monongahela Defendant In Suit Brought By Heirs

RESIDENT OF COLORADO

Woman Claims She Is Descendant of Revolutionary Hero and Seeks Estate.

Basing her claim upon a deed for a tract of land said to have been granted by the Pennsylvania commonwealth to one Colonel Henry Baker, a valiant soldier in the war of the 13 American colonies against Great Britain, and, alleging that she is one of his heirs, Mrs. Samuel Fitzpatrick has filed suit against the city of Monongahela to recover the property she says belongs to her. Papers have been placed with her attorney at Philadelphia, it is stated. The remarkable feature of the suit is its sum, which includes land, etc., to the equivalent of $12,000,000.

Mrs. Fitzpatrick resides at Colorado Springs, Col. She claims to be a descendant of an heir of Colonel Baker, the property to which she claims a title being a portion of what is known as the Baker-Askey estate.

Mrs. Kate McCoy, of Monongahela, who claims to be an heir of the deceased army officer of such commonwealth, it is understood will take similar action.

Colonel Henry Baker was a soldier in the Revolutionary war according to the claimants The land it is declared was deeded to him by the state legislature of Pennsylvania for valiant and efficient service during the war of the Revolution.

The grounds to which Mrs. Fitzpatrick demands the right and title includes that upon which the Monongahela City hall is built and much surrounding property including vast acreage of coal land in the immediate vicinity.

Wanted—Places For The Holding Of Elections

Owing to recent action of school boards in various parts of the county in refusing the use of the school buildings for the holding of elections the county commissioners are having considerable trouble securing places for the November election. The school board of East Pike Run township took action recently refusing to give the school house in each precinct. The commissioners will be compelled to find four places in that township within the next month.

In Houston the place of holding the election has been changed from the school building to the borough building. Every day the county commissioners are hearing from the various townships to the effect that they will have to look out for a new voting place.

The school boards claim that the holding of the elections in the school buildings interferes with the school work as the pupils have to be dismissed that day and the room is not in good condition the following day owing to the carelessness of the tobacco chewers.

Men's League Arranging For Lecture By Man Of Reputaticn

The Men's League of the Methodist Episcopal church are making arrangements for a lecture to be given on Thursday, October 15, in the church, by Dr. Charles L. E. Cartwright, of Braddock. The subject of the lecture will be "The Marble Walteth." This will be something in the way of entertainment far beyond anything ever attempted by the Men's League which have already gained a reputation in that line in Charleroi. Dr. Cartwright is a noted lecturer known all over this continent, and especially in the South. A popular saying in connection with him is that "he always makes a hit." He has only a very limited number of dates at this disposal and the local organization were very fortunate in securing him at this time. He is the popular pastor of the First M. E. church of Braddock.

Miss Edith Flohr left this morning for Jacksonville, Fla., where she will make her future home.

ELEVEN ILLEGAL LIQUOR SELLERS ARE ROUNDED UP

Detectives W. H. Riggle and T. S. Province have been working in the vicinity of Ellsworth and Marianna for the past few days and yesterday eleven informations were made before Justice of the Peace Reese at Ellsworth. All those against whom the suits were brought waived hearings and gave bail of $500 each for court.

Most of those arrested were foreigners. When the case comes up for trial about sixty witnesses will be called, and it is stated there is strong evidence against all. It is alleged that they were selling liquor off wagons, out of stores and from refrigerator cars.

Joy Manifest.

Everywhere in Charleroi intense joy was manifested yesterday when the gladsome tidings that the local plant of the Pittsburg Plate Glass company would resume work, after having been closed down for over seven months. Merchants and private citizens alike wore smiles of exultation and elation as they circulated among one another on the streets, for they knew it meant a more prosperous outlook for Charleroi than this city has known for many a day. The Magic City will again be able to stand at the head of the manufacturing towns of the Monongahela Valley, and maintain her place with other cities larger as a wholesale glass producing place.

"It's an ill wind that blows nobody good," is an old adage, which has been aptly demonstrated in the starting of the local plant. The destruction by fire of the Tarentum plant of the Pittsburg Plate Glass company was the ill wind which blew good to Charleroi. The employes of the number 2 factory are entitled to all sympathy as being, with scarcely a moments warning, thrown out of a means of livelihood, but despite the sorrow which we naturally feel for them, the citizens of Charleroi cannot but experience a sense of exhiliration over the fact that this place will be relieved from the stringent financial conditions which the closing down last winter and spring of two of the most prominent industries of the city brought upon.

Not long ago a factory started work here and employed many men at the outset. In a week they will increase their capacity and put on more men and boys. Another plant has increased their capacity to a larger extent than ever before. There is yet one of Charleroi's large industrial concerns to resume in full but the citizens feel optimistic as regards the starting of operations at this plant.

IS ORGANIZING PARTY OF 500 TO TOUR EUROPE

Rev. Herbert H. Moninger, of Cincinnati, O., who has been visiting in and around Charleroi for sometime has left for Cleveland, O., and from there returns to his home. Mrs. Moninger and children will remain in this section a few days longer to visit her parents, Mr. and Mrs. Cooper, in Fallowfield township. Their little son Malcolm, who has been seriously ill is much improved.

From his home at Cincinnati Mr. Moninger goes to New Orleans to attend the national convention of the Christian church, including the meetings of the auxiliaries of the church. This opens on the 9th, and next Sunday Mr. Moninger will conduct a model Sunday school, the teachers to be selected from the delegates attending the convention. This will be one of the important features of the convention. Mr. Moninger, who is a native of this county, and a graduate of Bethany college, W. Va., is one of the foremost Sunday school workers in the country. He is editor of the Sunday school supplies of the Standard Publishing company, of Cincinnati, and national superintendent of Sunday school work in the Christian church, in addition to being a general Sunday school organizer.

Rev. Mr. Moninger is now organizing a party of 500 for a tour of Europe in 1910, which tour will cover three continents, including the Bible lands and a cruise on the Mediterranean.

Rev. Mr. Moninger will be the leader in this tour, which is under the management of J. L. Hill, of Cincinnati. Mr. Hill has had a large experience in foreign travel. Rev. Mr. Moninger will deliver Bible-study lectures from time to time en route, and other eminent Biblical scholars will accompany the party and deliver lectures upon different topics of interest to tourists. The tourists will travel on a specially chartered boat, leaving in the early part of February, 1910, and returning 80 days later. The number is limited to 500. The regular tour will embrace Gibraltar, Naples, Rome, Alexandria, Cairo, the Nile, Port Said, Joppa, Jerusalem, and all places of general interest usually visited in Palestine, Beyrout, the Islands included in Paul's missionary journey, and Constantinople. From Constantinople the main party will return to New York by way of Southern Italy and the Mediterranean. At Constantinople, those desiring may take a rail trip across the continent and see the famous Passion play of Oberemmargan. The boat will stop at important ports long enough for the tourists to visit the towns and get a good general impression of them.

Washington, Pa., Oct. 6.—Today a Washington veteran of the civil war received his pay for military service rendered during the war. John W. Murray, private and corporal in Company D of the Twelfth West Virginia infantry, received a certificate entitling him to $2.58, the consideration being two days' service in June, 1865, and also a small allowance for clothing. Murray is having the certificate framed.

Washington Pa., Oct. 6.—Squire Turner, who has been a resident of Washington but two weeks, made an attack on his wife last night. The police who heard the woman's screams rushed in, but Turner escaped. The woman was stabbed in the back of the head. Mrs. Turner is in a serious condition.

Washington, Oct. 6.—Washington will be honored this week by the presence of the survivors of the 85th regiment, Pennsylvania volunteers, who will meet on Friday to hold their 36th annual reunion. The reunion will be held in the town hall. It is expected that there will be three sessions, morning, afternoon and night. The morning meeting will be devoted to the enrollment of those present and the afternoon to business and sight seeing. In the evening the old veterans will hold a public campfire at which addresses will be made by a number of the comrades.

The arrangements for the reunion have been under way for some time and have been in charge of a committee of the survivors of the regiment and assisted by a number of sons of veterans. The 85th is one of Washington county's own commands, and many of her sons wore the blue under its flag. A large number of the survivors of the regiment reside here and are keenly interested in the coming meeting of the old comrades in-arms.

Washington people should turn out to give the old soldiers a warm welcome.

Names.

It is stated by an exchange that Miss Brxonilawn Machszewsyczhowski of New York has petitioned the Legislature to change her name. It is also stated that the name of the Russian student who assassinated the Governor of Gallicia is Sjczynski. The Flint (Mich.) Journal, commenting on the former, states that on behalf of the Machine operators and proof readers of the journals of the country, they second the motion. The Spokane (Wash.) Chronicle, commenting on the latter, states that any typesetting machine operator that does not like the arrangement of the characters in the name can shake the letters to suit itself.

Nearly every man who works steadily makes more than a living. During these slow times the men who have saved something appreciate what it is to have something laid away for a rainy day. SCARLET FEVER AT CLAYSVILLE

Claysville, Oct. 7.—Scarlet fever conditions in Claysville are becoming more alarming. Three more cases have been reported bringing the number of persons known to be ill of the malady up to 12. Dr. F. L. Knox is one of the victims. His wife and three children had been ill. At noon today both the physicians and Miss Pettit, a young woman who makes her home with the physicians' family, was stricken.

Only one member of this family, a child, is not ill. Two nurses are at the Knox home.

It is believed that a dozen will not cover the number of cases of scarlet fever in town, while several are beginning to recover.

A mass meeting of the citizens of the town will be held tomorrow evening in the opera house when every physician of Claysville is expected to be present to discuss the situation. Efforts to maintain quarantine, it is stated, are disregarded by many and it is declared that examples will be made of some. The disease was supposed to have been brought here last spring, but lax quarantine permitted it to spread this fall to the present fearfull extent.

DISTINGUISHED VISITORS AT MONESSEN

A party of distinguised visitors arrived in Monessen by special train yesterday, following closely the 2:19 train from Pittsburg. They were the descendants of William Pitt, and came to Pittsburg from England to attend the Sesqui-Centennial, which has just closed.

In the party were Miss Hester Louise Pitt-Taylor, the Hon. E. C. F. Collier, Mr. and Mrs. Arthur Forbes, Colonel and Mrs. J. M. Schoonmaker, C. E. F. Childers and Mrs. J. M Guffey, wife of Mayor Guffey.

The distinguished foreign visitors decided to remain in the Pittsburg district for a time, visiting the great industries. One of the first places determined upon to visit was Monessen. The special train was sidetracked at Eleventh street and the visitors were met there by General Superintendent George Nash, who personally escorted them through the mammoth plant of the Pittsburg Steel company.

They were accompanied by a number of officials and directors of the company. Great surprise was expressed by the visitors at the extent of the present plant and the work of additional construction in progress. No one of them had ever visited a steel plant having over 50 acres under roof and 150 acres in its site.

The special car returned to Pittsburg attached to the evening train.

Grateful words from a Clergyman who suffered intensely from Skin Disease cured by D. D. D. Prescription

Roanoke, Va., June 18, 1901.
D. D. D. Co., 70 Dearborn St., Chicago, Ill.
Gentlemen:—Your letter of recent date received and contents noted. It gives one pleasure to commend D. D. D. to sufferers from skin disease. For three years I suffered, intensely so, from a skin disease which developed on the back of my neck. Its growth was toward the scalp. Neighbors, prescriptions, salves and expensive blood medicines were lavishly used. I at last found relief in D. D. D. used according to directions. It required just twenty bottles to effect the cure. I am no longer tortured, so I have no hesitancy in acknowledging to the world the worth and great virtue of D. D. D.

Yours truly,
REV. L. L. DOWNING.

Doctors Faith In Humanity Shaken

Hickory, Oct. 7.—Hoodwinked two times in that many days by strangers whom he had employed to work for him Dr. Edward Swarts of this place is beginning to take notice and look wise. In the two transactions he is out just $18. Dr. Swarts conducts a dental office in Pittsburg but resides near this village.

A man hunting work stopped at the Swarts residence and wanted employment. Dr. Swarts hired him and within two hours the man asked to have money advanced to purchase a pair of shoes. He was given $3 and started toward the village. His start was a good one as he has not returned with the shoes or the money.

The very next day Dr. Swarts returned from the city with another man. He failed to tell his wife of the experience with the first employe. On the day of the second man's arrival Mrs. Swarts had an errand to town for the hired man and gave him her bank book with $15 to deposit in the Hickory bank. This man also traveled a lively fashion and failed to return.

Today he returned the bank book through the mail but nothing has been heard of the cash.

Rinehart Case Again Postponed

Pittsburg, Oct. 7.—Procrastination hovers about J. B. F. Rinehart, of Waynesburg, like a guardian angel. Once more has the now notorious bank wrecking case been postponed, according to an announcement of United States District Attorney John Dunkle yesterday. More respite is given the muchly accused cashier of the Farmers and Drovers National bank, of Waynesburg. Again have expectant depositors failed to see the prince of trial evaders brought to time.

"It is impossible to go ahead at the present time. I have not yet prepared the evidence. We must have a continuance" said the United States district attorney in giving his reason of the additional delay. And the respite was granted.

In his own defense, Mr. Dunkle says he made every effort to try the case last May. Since that time he has continued his efforts to bring the case to trial, but he has received word from Special Bank Examiner Charles W. Starek, who is in charge of the case, but who is now working upon bank cases in New York, that it would be absolutely impossible to prepare the case for trial at this term.

HEATING OF BOILERS IS BEGUN THIS MORNING

Work Of Putting Plate Glass Plant In Shape Is Started.

OFFICIALS TRANSFERRED

Superintendent And Others Of Tarentum Are Sent Here.

The process of heating of the boilers was begun this morning by the Pittsburg Plate Glass company in the local works, being in charge of Superintendent R. O. Stillwell, who has been transferred from Tarentum, and J. W. Cordes, chief machinist of the company. As has been stated in these columns heretofore it will probably take at least three weeks to get the plant in readiness for glass making. A large number of men will be put to work, probably more than were employed here at any time during the previous run of eight years, and prospects are bright for continued operations for many months.

Probably the most important information given out today was that R. O. Stillwell, who was in charge of the Tarentum plant until the burning of it Sunday morning would be transferred to this place to take charge of the number 6 works. With him comes Assistant Superintendent Irving Brown. George Pilston, who had charge of the polishing department at the number 2 factory will also come to Charleroi and a large number of skilled laborers of various departments. Where Mr. J. A. Bechtel, who has been in charge here will be sent is not known.

According to official information given out yesterday at Tarentum the plant which was burned Sunday morning will be rebuilt and work commence at once. It will be modern in every respect and contain all the latest machinery used in the manufacture of plate glass. Many of the employes which were thrown out of employment will be taken care of by the company.

Fire Does Much Damage Yesterday At Monongahela

Fire yesterday morning gutted the building on Main street Monongahela between First and Second streets, owned by Miss Pauline Markell and occupied by Bennie Goldstein, and slightly damaged the George Anton building next door.

The fire was discovered by Garabaldy Armis, who was sleeping in the rear of his brother's shoe repair shop, and who was awakened by the smoke. He notified Officer Bergman who turned in an alarm. The fire company responded quickly and the damage was not great. The fire started in the store of Bennie Goldstein but the origin is not known. The loss was:

Pauline Markell owner of the building destroyed, about $1200.

George Anton fire and water damage about $500.

Bennie Goldstein damage to stock about $300.

E. Campi stock of candy and fruit store damaged by water and smoke loss about $300.

BIG GAME SATURDAY ON LOCAL GROUNDS

A big game of football between two of the leading soccer teams of the valley, Charleroi and Dunlevy will be play on the local grounds Saturday afternoon, the contest to begin at 3:30 o'clock. The game is for $200 a side. Dunlevy at present occupies second position in the Monongahela Valley association football league with only one point between them and the local srivalry is most intense.

Washington, Oct. 6.—For a long time, and then some, the town councils of the two Canonsburgs last night wrestled with the perplexing question of bringing the North Strabane Water company to time by compelling to fulfill the conditions of its franchise, namely, the supplying of water to the two boroughs, especially for fire protection.

GRAVE CHARGES AGAINST COUNTY HOME OFFICIALS

Taxpayer's League Wants to Know What Become Of Several Articles.

ALLEGED IRREGULARITIES

All irregularities in the conduct of business at the Washington county home at Arden on the part of Superintendent J. Vance Dodds are to be thoroughly investigate by the board of poor directors. Charges have been made by the board of directors of the Taxpayers league, of Washington county. They claim articles belonging to the county have been appropriated by Superintendent Dodds to his own use. He said today he had simply "borrowed" the articles in question.

Among the articles alleged to have been taken by Superintendent Dodds were four bushels of timothy seed, some barbed wire fence, several sacks of sugar, a barrel of flour and 8,000 shingles.

BURGLARS ENTER ROOMS OF MANY HOTEL BOARDERS

Hickory, Oct. 6.—Burglars entered the Central hotel owned by J. W. Hill at this place, early this morning and after ransacking several rooms escaped undetected with nearly $75 which had been taken from the trousers pockets of three guests as they slumbered undisturbed. The borglars were seen in the office of the hotel at 1 o'clock by Joseph Wittman, who was passing at that time. He gave the matter little thought supposing the late comers were guests. So far the robbers have not been found and no clew was left to the identity.

The guests robbed are: Riley W. Carothers, of Washington. $35; James Mitchell, Washington, $5; A. W. Moland, Steubenville, $20. Attempts were made to get into other rooms of the hotel, but the housebreakers were unsuccessful. The robbers did not care for jewelry as watches were left in the clothing of all the guests robbed. A check for $147 was left in the pocket of Mr. Morland.

BEATEN IN FACE WITH OWN SHOE

Last evening at a hearing before Justice of the Peace Rice, Catherine Hilt was held for court under $500 bail on charges of assault and battery and surety of the peace and Mrs. Elizabeth Smith under the same amount on charges of trespass and assault and battery. It seems that Conrad Hilt and his wife became engaged in a dispute Saturday night last and attracted Mr. and Mrs. August Smith into the room. Hilt was badly used up by being beaten in the face by his own shoe, and thrown out of the house. Mr. Smith was discharged, there not being any evidence to hold him. Information was made by Mr. Hilt.

BOYS WILL BE GIVEN HEARINGS TONIGHT CHARGED WITH BURGLARY

Depredations Of The Store Of Produce Co. Will Be Investigated.

SIX LADS ARE ARRESTED

Tonight before Justice of the Peace Rice, a number of boys probably six or seven will be given a hearing on the charge of burglary. They are charged with having robbed the store house of the Charleroi Produce company, on McKean avenue on various occasions, the last time on Monday.

The average age of the lads is about fourteen.

The information against the youngsters was made by Jake Zeidman, who is connected with the store. He claims that they have burglarized his place several times and took fruit and produce therefrom, the loss from these petty thefts being considerable.

Members of Co A Arrive Home In Good Spirits

The members of Company A arrived home yesterday afternoon at 2 o'clock completely worn out after their journey to Philadelphia. The trip to Philadelphia was made Saturday night the company arriving at Philadelphia about noon Sunday. Monday they were on the march from 11 o'clock until 4:30. The return trip was begun about midnight Monday.

The local company was pleased with the treatment accorded at the City of Brotherly Love and all the members had a very pleasant trip. The Tenth regiment was quartered in the barracks of the Third regiment at Philadelphia.

The military pageant in which the local company took part was the opening feature for Founders' week at Philadelphia and over 18,000 soldiers were in the parade. The parade was led by Maj. Gen. Fred Grant, a son of the great fighter, Gen. U. S. Grant.

Over four hours was required for the parade to pass a given point. The soldiers were given an ovation along the entire route.

PRELIMINARY HEARING GIVEN

Washington, Oct. 7.—August Vincenti, an agent of the Charleroi Brewing company, was given a preliminary hearing before Justice E. N. Dunlap yesterday afternoon on the charge of violating the liquor laws and was held for court. He furnished bail.

The information was made by Detective F. E. Cummins on information received in and around the town of Midway where according to the testimony of a number of witnesses he sold several kegs and cases of beer recently. The testimony was to the effect that the intoxicants were delivered by representatives of the Ben Reynolds Express company, and sometimes by private individuals to whom the bills of lading were sent by mail.

ELECT SCHOOL SUPERINTENDENT

Monessen Directors Finally Come To An Agreement.

The school board of Monessen met last night and elected a superintendent of schools, the directors being unanimous in choosing a prominent educator, Thomas E. Lytle, of Kane, Pa., for the position. The salary will be $1800 a year. Mr. Lytle comes highly recommended and if he is all that is claimed will prove one of the best in this section. He is at present superintendent of the Kane schools.

The question of a superintendent is one that has claimed the attention of the Monessen board for many weeks, in fact since the resignation of Prof. Heimlick last summer.

Collieries Resume Operations

Bentleyville, Oct. 7.—The Ellsworth Coal company reopened its mine located at Ellsworth and Cokeburg in full yesterday. The mines have been closed for several days owing to the scarcity of water.

Water for the resumption of work at the mines will be furnished by the Pennsylvania Railroad company from the Monongahela river. The railroad company will furnish the coal company with ten car loads of water a day.

Monongahela Defendant In Suit Brought By Heirs

RESIDENT OF COLORADO

Woman Claims She Is Descendant of Revolutionary Hero and Seeks Estate.

Basing her claim upon a deed for a tract of land said to have been granted by the Pennsylvania commonwealth to one Colonel Henry Baker, a valiant soldier in the war of the 13 American colonies against Great Britain, and, alleging that she is one of his heirs, Mrs. Samuel Fitzpatrick has filed suit against the city of Monongahela to recover the property she says belongs to her. Papers have been placed with her attorney at Philadelphia, it is stated. The remarkable feature of the suit is its sum, which includes land, etc., to the equivalent of $12,000,000.

Mrs. Fitzpatrick resides at Colorado Springs, Col. She claims to be a descendant of an heir of Colonel Baker, the property to which she claims a title being a portion of what is known as the Baker-Askey estate.

Mrs. Kate McCoy, of Monongahela, who claims to be an heir of the deceased army officer of such commonwealth, it is understood will take similar action.

Colonel Henry Baker was a soldier in the Revolutionary war according to the claimants The land it is declared was deeded to him by the state legislature of Pennsylvania for valiant and efficient service during the war of the Revolution.

The grounds to which Mrs. Fitzpatrick demands the right and title includes that upon which the Monongahela City hall is built and much surrounding property including vast acreage of coal land in the immediate vicinity.

Wanted—Places For The Holding Of Elections

Owing to recent action of school boards in various parts of the county in refusing the use of the school buildings for the holding of elections the county commissioners are having considerable trouble securing places for the November election. The school board of East Pike Run township took action recently refusing to give the school house in each precinct. The commissioners will be compelled to find four places in that township within the next month.

In Houston the place of holding the election has been changed from the school building to the borough building. Every day the county commissioners are hearing from the various townships to the effect that they will have to look out for a new voting place.

The school boards claim that the holding of the elections in the school buildings interferes with the school work as the pupils have to be dismissed that day and the room is not in good condition the following day owing to the carelessness of the tobacco chewers.

Men's League Arranging For Lecture By Man Of Reputaicn

The Men's League of the Methodist Episcopal church are making arrangements for a lecture to be given on Thursday, October 15, in the church, by Dr. Charles L. E. Cartwright, of Braddock. The subject of the lecture will be "The Marble Waiteth." This will be something in the way of entertainment far beyond anything ever attempted by the Men's League which have already gained a reputation in that line in Charleroi. Dr. Cartwright is a noted lecturer known all over this continent, and especially in the South. A popular saying in connection with him is that "he always makes a hit." He has only a very limited number of dates at this disposal and the local organization were very fortunate in securing him at this time. He is the popular pastor of the First M. E. church of Braddock.

Joy Manifest.

Everywhere in Charleroi intense joy was manifested yesterday when the gladsome tidings that the local plant of the Pittsburg Plate Glass company would resume work, after having been closed down for over seven months. Merchants and private citizens alike wore smiles of exultation and elation as they circulated among one another on the streets, for they knew it meant a more prosperous outlook for Charleroi than this city has known for many a day. The Magic City will again be able to stand at the head of the manufacturing towns of the Monongahela Valley, and maintain her place with other cities larger as a wholesale glass producing place.

"It's an ill wind that blows nobody good," is an old adage, which has been aptly demonstrated in the starting of the local plant. The destruction by fire of the Tarentum plant of the Pittsburg Plate Glass company was the ill wind which blew good to Charleroi. The employes of the number 2 factory are entitled to all sympathy as being, with scarcely a moments warning, thrown out of a means of livelihood, but despite the sorrow which we naturally feel for them, the citizens of Charleroi cannot but experience a sense of exhiliration over the fact that this place will be relieved from the stringent financial conditions which the closing down last winter and spring of two of the most prominent industries of the city brought upon.

Not long ago a factory started work here and employed many men at the outset. In a week they will increase their capacity and put on more men and boys. Another plant has increased their capacity to a larger extent than ever before. There is yet one of Charleroi's large industrial concerns to resume in full but the citizens feel optimistic as regards the starting of operations at this plant.

IS ORGANIZING PARTY OF 500 TO TOUR EUROPE

Rev. Herbert H. Moninger, of Cincinnati, O., who has been visiting in and around Charleroi for sometime has left for Cleveland, O., and from there returns to his home. Mrs. Moninger and children will remain in this section a few days longer to visit her parents, Mr. and Mrs. Cooper, in Fallowfield township. Their little son Malcolm, who has been seriously ill is much improved.

From his home at Cincinnati Mr. Moninger goes to New Orleans to attend the national convention of the Christian church, including the meetings of the auxiliaries of the church. This opens on the 9th, and next Sunday Mr. Moninger will conduct a model Sunday school, the teachers to be selected from the delegates attending the convention. This will be one of the important features of the convention. Mr. Moninger, who is a native of this county, and a graduate of Bethany college, W. Va., is one of the foremost Sunday school workers in the country. He is editor of the Sunday school supplies of the Standard Publishing company, of Cincinnati, and national superintendent of Sunday school work in the Christian church, in addition to being a general Sunday school organizer.

Rev. Mr. Moninger is now organizing a party of 500 for a tour of Europe in 1910, which tour will cover three continents, including the Bible lands and a cruise on the Mediterranean.

Rev. Mr. Moninger will be the leader in this tour, which is under the management of J. L. Hill, of Cincinnati. Mr. Hill has had a large experience in foreign travel. Rev. Mr. Moninger will deliver Bible-study lectures from time to time en route, and other eminent Biblical scholars will accompany the party and deliver lectures upon different topics of interest to tourists. The tourists will travel on a specially chartered boat, leaving in the early part of February, 1910, and returning 89 days later. The number is limited to 500. The regular tour will embrace Gibraltar, Naples, Rome, Alexandria, Cairo, the Nile, Port Said, Joppa, Jerusalem, and all places of general interest usually visited in Palestine, Beyrout, the Islands included in Paul's missionary journey, and Constantinople. From Constantinople the main party will return to New York by way of Southern Italy and the Mediterranean. At Constantinople, those desiring may take a rail trip across the continent and see the famous Passion play of Oberemmargan. The boat will stop at important ports long enough for the tourists to visit the towns and get a good general impression of them.

Briefs of the County

Monongahela, Oct. 6.—George Reho, aged 20 years and a miner in the Hazel Kirk No. 1 mine was instantly killed by a fall of slate yesterday afternoon at 4 o'clock.

It is estimated that ten tons of slate fell but there was not a mark on any part of his body except his head and it was mashed to a pulp. The body was brought to Bebouts undertaking room on the evening train and prepared for burial.

Washington, Pa., Oct. 6.—Today a Washington veteran of the civil war received his pay for military service rendered during the war. John W. Murray, private and corporal in Company D of the Twelfth West Virginia infantry, received a certificate entitling him to $2.58, the consideration being two days' service in June, 1865, and also a small allowance for clothing. Murray is having the certificate framed.

Washington Pa., Oct. 6.—'Squire Turner, who has been a resident of Washington but two weeks, made an attack on his wife last night. The police who heard the woman's screams rushed in, but Turner escaped. The woman was stabbed in the back of the head. Mrs. Turner is in a serious condition.

Washington, Oct. 6.—Washington will be honored this week by the presence of the survivors of the 85th regiment, Pennsylvania volunteers, who will meet on Friday to hold their 36th annual reunion. The reunion will be held in the town hall. It is expected that there will be three sessions, morning, afternoon and night. The morning meeting will be devoted to the enrollment of those present and the afternoon to business and sight seeing. In the evening the old veterans will hold a public campfire at which addresses will be made by a number of the comrades.

The arrangements for the reunion have been under way for some time and have been in charge of a committee of the survivors of the regiment and assisted by a number of sons of veterans. The 85th is one of Washington county's own commands, and many of her sons wore the blue under its flag. A large number of the survivors of the regiment reside here and are keenly interested in the coming meeting of the old comrades in-arms.

Washington people should turn out to give the old soldiers a warm welcome.

Names.

It is stated by an exchange that Miss Brxonilawn Machszewsyczhowski of New York has petitioned the Legislature to change her name. It is also stated that the name of the Russian student who assassinated the Governor of Gallicia is Sjczynski. The Flint (Mich.) Journal, commenting on the former, states that on behalf of the Machine operators and proof readers of the journals of the country, they second the motion. The Spokane (Wash.) Chronicle, commenting on the latter, states that any typesetting machine operator that does not like the arrangement of the characters in the name can shake the letters to suit itself.

Tall People.

There are more tall people in Libby, Mont., east of here, than in any other town of its size on the continent. Ten members of one family have a combined heighth of almost 75 feet. Making More Than a Living
Nearly every man who works steadily makes more than a living. During these slow times the men who have saved something appreciate what it is to have something laid away for a rainy day. A few cents a day soon counts up, and when savings are placed in a bank at a tidy interest the sum soon grows to proportions that make it a safeguard against want when work is not plentiful. Figure up how much more than a living you are making now, and place the difference in this bank. Four per cent. interest paid in savings department.

SCARLET FEVER AT CLAYSVILLE

Claysville, Oct. 7.—Scarlet fever conditions in Claysville are becoming more alarming. Three more cases have been reported bringing the number of persons known to be ill of the malady up to 12. Dr. F. L. Knox is one of the victims. His wife and three children had been ill. At noon today both the physicians and Miss Pettit, a young woman who makes her home with the physicians' family, was stricken.

Only one member of this family, a child, is not ill. Two nurses are at the Knox home.

It is believed that a dozen will not cover the number of cases of scarlet fever in town, while several are beginning to recover.

A mass meeting of the citizens of the town will be held tomorrow evening in the opera house when every physician of Claysville is expected to be present to discuss the situation. Efforts to maintain quarantine, it is stated, are disregarded by many and it is declared that examples will be made of some. The disease was supposed to have been brought here last spring, but lax quarantine permitted it to spread this fall to the present fearfull extent.

DISTINGUISHED VISITORS AT MONESSEN

A party of distinguised visitors arrived in Monessen by special train yesterday, following closely the 2:19 train from Pittsburg. They were the descendants of William Pitt, and came to Pittsburg from England to attend the Sesqui-Centennial, which has just closed.

In the party were Miss Hester Louise Pitt-Taylor, the Hon. E. C. F. Collier, Mr. and Mrs. Arthur Forbes, Colonel and Mrs. J. M. Schoonmaker, C. E. E. Childers and Mrs. J. M. Guffey, wife of Mayor Guffey.

The distinguished foreign visitors decided to remain in the Pittsburg district for a time, visiting the great industries. One of the first places determined upon to visit was Monessen. The special train was sidetracked at Eleventh street and the visitors were met there by General Superintendent George Nash, who personally escorted them through the mammoth plant of the Pittsburg Steel company.

They were accompanied by a number of officials and directors of the company. Great surprise was expressed by the visitors at the extent of the present plant and the work of additional construction in progress. No one of them had ever visited a steel plant having over 50 acres under roof and 150 acres in its site.

The special car returned to Pittsburg attached to the evening train.

Grateful words from a Clergyman who suffered intensely from Skin Disease cured by D. D. D. Prescription

Roanoke, Va., June 18, 1904.
D. D. D. Co., 70 Dearborn St., Chicago, Ill.
Gentlemen:—Your letter of recent date received and contents noted. It gives one pleasure to commend D. D. D. to sufferers from skin disease. For three years I suffered intensely back of my neck. Its growth was toward the scalp. Neighbors, prescriptions, salves and expensive blood medicines were lavishly used. I at last found relief in D. D. D. used according to directions. It required just twenty bottles to effect the cure. I am no longer tortured, so I have no hesitancy in acknowledging to the world the worth and great virtue of D. D. D.

Yours truly,
REV. L. L. DOWNING.

Doctors Faith In Humanity Shaken

Hickory, Oct. 7.—Hoodwinked two times in that many days by strangers whom he had employed to work for him Dr. Edward Swarts of this place is beginning to take notice and look wise. In the two transactions he is out just $18. Dr. Swarts conducts a dental office in Pittsburg but resides near this village.

A man hunting work stopped at the Swarts residence and wanted employment. Dr. Swarts hired him and within two hours the man asked to have money advanced to purchase a pair of shoes. He was given $3 and started toward the village. His start was a good one as he has not returned with the shoes or the money.

The very next day Dr. Swarts returned from the city with another man. He failed to tell his wife of the experience with the first employe. On the day of the second man's arrival Mrs. Swarts had an errand to town for the hired man and gave him her bank book with $15 to deposit in the Hickory bank. This man also traveled a lively fashion and failed to return.

Today he returned the bank book through the mail but nothing has been heard of the cash.

Rinehart Case Again Postponed

Pittsburg, Oct. 7.—Procrastination hovers about J. B. F. Rinehart, of Waynesburg, like a guardian angel. Once more has the now notorious bank wrecking case been postponed, according to an announcement of United States District Attorney John Dunkle yesterday. More respite is given the muchly accused cashier of the Farmers and Drovers National bank, of Waynesburg. Again have expectant depositors failed to see the prince of trial evaders brought to time.

"It is impossible to go ahead at the present time. I have not yet prepared the evidence. We must have a continuance" said the United States district attorney in giving his reason of the additional delay. And the respite was granted.

In his own defense, Mr. Dunkle says he made every effort to try the case last May. Since that time he has continued his efforts to bring the case to trial, but he has received word from Special Bank Examiner Charles W. Starek, who is in charge of the case, but who is now working upon bank cases in New York, that it would be absolutely impossible to prepare the case for trial at this term.
